

EXHIBIT A
FORM OF ATTESTATION

I, Simon Laroche, as the authorized representative of Evolgen Trading and Marketing LP (“Generator”) declare that Generator hereby sells, transfers and delivers to Buyer the RECs product (including, unless otherwise specified, all Environmental Attributes and RECs Product Reporting Rights) associated with the generation and delivery of energy from the Renewable Energy Facility as described below (the “RECs Product”). As of the Delivery Date:

1. The RECs Product was generated by the following Renewable Energy Facilities and sold, subject to receipt of payment, to Buyer;
2. the RECs Product qualifies as RECs Product as of the Trade Date and the Delivery Date;
3. the RECs Product is solely and exclusively owned by Generator;
4. the RECs Product has not been used by Generator or any third party to meet the RPS or other Applicable Program requirements in another state or jurisdiction;
5. energy associated with the RECs Product complied with [ISO] energy delivery rules;
6. the RECs Product were not sold to any end-use customer or other wholesale provider other than Buyer during the calendar/Reporting Period; and
7. the energy associated with the RECs Product was not used on-site for generation.

Renewable Energy Facility means:

Generator Name or Designation: Powell River and Lois Hydropower Facilities

Technology Type: Hydropower

Fuel Type: Water

Generator Location: British Columbia

EIA #: N/A

RECs Product: Hydropower RECs

Generation Period: November 1, 2021, to February 28, 2022

Hash Information for Retirement:

8. Special Delivery Conditions: The certificates are redeemed (i.e., assigned to the beneficiary) for the purpose of tokenization and bridging to the Blockchain: Energy Web Chain with the Network ID 246. The smart contract address is 0x2248a8E53c8cf533AEEf2369FfF9Dc8C036c8900 and the specific certificate batch ID is 796. The bridging protocol used for tokenization is: ZeroLabs Renewable Energy Certificate.

Tokenization Protocol v1.0.0. The certificates will be created as tokens of type ERC1888 - Topic: "1". Special Beneficiary: 850 MWh for Zumo Financial Services Limited as part of the Zero Hero Project.

RECs Product Transaction Confirmation Reference:

As an authorized representative of Generator, I state that the above statements are true and correct to the best of my knowledge. This Attestation may serve as a Bill of Sale to confirm, in accordance with the Agreement, the transfer from Generator to Buyer all of Seller's right, title and interest in and to the RECs Product as set forth above.

Date _____

Name: _____

[notarize if required]

Either Party may disclose this Attestation to others, including subsequent purchasers in the event of a resale by Buyer, the Administrator, Certifier and the public utility commissions having jurisdiction over Buyer, to substantiate and verify the accuracy of the Parties' compliance, advertising and public claims.

Zero Labs

This document has been shared with Zero Labs by the EAC Supplier and we are providing it AS IS (safe for this added note) for the benefit of the ultimate beneficiary of the EACs
